RIVERSIDE SETTING

WELCOME

Where the Ganga Valley Slows You Down

Tucked into the forested folds of Dandela Village along the Shivpuri stretch, Rockland Resort Camps is built for travellers who want the drama of the Himalayan foothills without giving up comfort. Our stone-strewn riverbank, pine-covered ridgelines and open lawns set the stage for a stay that feels equal parts adventure and retreat.

Choose from breeze-cooled luxury tents, warm wooden cottages, or air-conditioned rooms — each dressed in plush linen and finished with thoughtful, homely touches. Days here move between the swimming pool, the badminton court and the rush of white-water rafting; evenings wind down over a candlelit dinner spread and a DJ night under the stars.

Every stay is anchored by our all-inclusive 1 Night / 2 Day package — accommodation, four hearty meals and full access to our recreational grounds, so all you need to bring is your appetite for the outdoors.
